7 August 1968

MEMORANDUM FOR: DDS&T

SUBJECT : Warning of Soviet Intention to Attack

1. The Director has approved the recommendations contained in paragraph 7 of my 5 August memorandum of which you received a copy. He has asked that I follow up with those elements of the Agency where the prescribed action should be taken.

2. I would be grateful if you would undertake the study suggested in paragraph 7 of the above-mentioned memorandum or, in lieu of that, provide me with advice and suggestions as to how else this might be done. Any additional views you may have would be welcome. For your information, DDI has been added to the distribution of my 5 August memorandum.

SUBJECT: Background Package for Your Meeting on Strategic Warning on Friday, 30 August (4 Sept DDCI memo result from this meeting)

REMARKS:

The attached package from John Bross includes:

1. A 25 July memo to Bross from [REDACTED] which cites a 1966 USIB note pointing out the serious degradation in the Community's strategic warning capabilities as a result of advances in military technology. A chronology of developments in this field since its approval by the Director is at annex.
2. A 5 August memo from the DDCI to the Director pointing out that weaknesses in the warning system had not been corrected, despite the implications of our inability to recognize the character of a major Soviet exercise in July 1967. The DDCI recommended that NIE 11-10-66 on the Community's strategic warning capability be updated. He
